Introducing Victoria Raymond

Featuring her new work that is inspired by the diversity and beauty found in nature. It draws from that source to develop images between the "narrative" and abstract. It is a response to many materials, handmade and artificial to create "unique" sculptural landscapes.

Essence Pro Tip...

Summer fruits not only taste delicious
but offer big beauty benefits!

Strawberries, watermelon and other citrusy fruits with
high water content have an abundance of
vitamins and lead to hydrated, antioxidant-rich skin.
